Allowable Subject Matter

Claims 1-16 allowed.

The following is an examiner's statement of reasons for allowance: None of the prior arts discloses a liquid separator including a filter media, an end disk used to seal one end of the filter media, another end disk used to seal the other end of the filter media, a mount that is shaped like a nipple and the end disks engage the mount to form a seal, and the mount between the end disks is gas permeable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 17 and 18 allowed.

The following is an examiner's statement of reasons for allowance: None of the prior arts discloses a cylindrical separating cartridge comprising a separating means wound around a support member with end disks on both axial faces wherein the end disks together with the support member are engageable with a mount to form a sealed assembly which divides a liquid separator into an untreated gas zone and a treated gas zone.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
